LOUISVILLE.

FRIDAY, MAY 4.1855. THE SAG NICHTS .- The editor of the Den crat is still trying to vindicate the secrecy of has dear Sag Nichts. When reminded of his in nsistency in denouncing the Know-Noth for their secrecy and defending the Sag N chi for theirs, he grins and says that he is not at interested to defend his consistency. We don't think he is, for he hasn't got any of it to defend shocked that native-born Americans organiz on that the foreigners are doing the ver rightest thing in the world, when, uniting with few anti-American Americans, they carry their political operations on through secret so fending his consistency, he had better sell I

secrecy is not in itself criminal; he says he hafor their secrecy; and in fact, though he pretends to have no interest in defending his consistency his boyhood up quite a particular admirer of ac no deficulty at all in convincing him that secret political societies are the finest things in the world. He does not deny, and he cannot, that what we have stated as facts as to the Sag-Nicl ts nembers in this city; that their meetings are have their passwords and their systems of signs signs and signals for all the wards of our city mand of a regularly-appointed squad-officer deniable fact, that, so carefully-guarded is the ad g nearly the whole West that not a solitary or Democratic or Sag-Nicht Anti-American or Democratic or Sag-Nicht paper out of the city of Louisville has, up to the designs of the Frecsoilers, or the are in being. If secrecy or would-be secrecy can go beyond that, we should like to know where it is to go to. Why, bless you reader. Know-Nothingism is a thundering proclama this Sag-Nichtism, this Say-nothingism, this dumb foreignism, which, like "the pestile that walketh su darkness," is going to and fro to nationality by ties that the boldest ma ong us in invisible coat, jacket, and breeches.

up of Sag-Nichts mouths

The editor of the Democrat says that he himelf is not a Sag-Nicht. We have no objection to taking his word for it. But if the Sag-Nichts organization, as is boasted, numbers about two thousand in Louisville, nearly every anti-Know-Nothing except himself must of course belong to it. He is quite a forlorn out He says that the nominations of candidates are made by the party in its public capacecret or Sag-Nichts capacity. But he may secret or Sag-Nichts capacity. But he may well be asked how he knows thus. If he is not accord, in the presence of Almighty and accord, in the presence of Almighty and these witnesses, with your hands joined token of that fraternal affection which she from the secret holes in which nuneteen-twentieths of his anti-American brethren nightly con gregate to take counsel together before public well be asked how he knows or can expect to tre signals for the recognition of each other. He says that the societies boldly avow their principles and measures. They don't even avow their own existence. They don't acknowledge that there are such things as themselves in the world. Who has seen a Sag-Nichts manifesto? Who has seen a Sag-Nichts manifesto? Who has seen a Sag-Nichts principles? Who has seen a publication of principles? Who has seen a publication emanating from any of the Sag-Nichts precidents, Sag-Nichts vice presidents, and Sag-Nichts secretaries? Where are we to look for anything like an official exposition or even an authentic private exposition of seen and sag-Nichts secretaries? Where are we to look for anything like an official exposition or even an authentic private exposition of sag-Nichts principles and Sag-Ni

of the Democratic party, when these Sag-Nichts societies are the Democratic or anti-American arty, constituting its whole soul and nin teenwentieths of its body, and when in fact the Sag-Nichts societies have just the same power of controlling what are called public. Democratic ns, that a man has to regulate the mo-

Ilighty Interesting Document—if Genuindex—We have often stated, upon the authority
of information which we believed to be entirely
authentic, that the Know-Nothing or American
party of the country adopted measures a few
mouths ago in its National Council for establishing and securing its own nationality of character everywhere throughout the Union. We
acter everywhere throughout the Union. We
have not known however whether we sho ld
have an opportunity to lay before the people of
forcigners, that these powers are reserved to the
